

26TH ANNUAL JFK RUNWAY RUN

The theme of the race is that it's "the most fun you'll ever run," and it certainly is one of the most unusual venues that a race could be held on – the runways and taxiways of the country's biggest airport!

The 26th annual JFK Runway Tom Carmody Memorial 5K was a success by any standard, with 291 runners and walkers braving the winds, a total that included 11 Club members who found their way west on a day when there were four other races on Long Island.

Top Club finisher was Glen Morse (23:07), in 29th place OA and first in the 55-59 age group, just in front of Jay Hildebrand (23:12), who earned 2nd place honors in that same 55-59 age group. Other GLIRC members crossing the finish line at JFK included Angel Villegas (23:36), Brian Morreale (24:27), Jodi Brodsky (26:41, 1st woman 50-54), Elizabeth Canale (28:48, 1st woman 55-59), Tracy Tanzer (28:50), Robert Kurtz (32:14, 1st 65-69), Norman Hershkowitz (32:48, 2nd 65-69), Richard Brodsky (33:28).

It's too bad that many Long Islanders feel that they are crossing an international border when they cross over from Nassau to Queens, because the JFK Runway 5K is one of those great Queens races that deserves a far better Long Island turnout than it gets. Try this one next year.

Norman Hershkowitz: A repeat Age Group Award winner at JFK

SORRY JANE!

Our apologies to Jane Groneman Kinsella who ran a fine 25:09 at the Go for the Green 5K Run, good for second in her age group.

A WORD ABOUT RACE RESULTS

We try very hard to include all Club members and their times when we report on the results of a particular race. BUT (and it's a VERY big "BUT"), the process isn't an automatic one. We pick out Club members by hand and, accordingly, the system can result in a name or two being left out.

So please forgive us if your name happens to be left out of a particular set of results. If it happens, please feel free to call the omission to our attention by calling (516) 349-7646, or by e-mailing us at spolansky@aol.com and we will be happy to rectify the omission in the following issue of Footnotes.

Even better -- if you want to make sure that your effort for a particular event is given proper recognition, call us right after the event (same number -- (516) 349-7646) and you can be sure that your results will be included!

A WORD ABOUT FOOTNOTES ARTICLES

We gladly accept the literary efforts of our Club members, especially those relating to running, for publication in Footnotes, although we obviously need to reserve the right to edit submissions on the basis of the space needs of the overall magazine.

Our readers need to keep in mind that the views and ideas expressed in the articles submitted by our members are solely those of the writer, and do not necessarily reflect the views of the editor or of the Greater Long Island Running Club.

Angela Scaturro - Racing to Save Lives

The Leukemia & Lymphoma Society's Team In Training® is the world's largest endurance sports training program. Since 1988, more than 360,000 volunteer participants have helped raise more than \$850 million. Now Angela Scaturro is training to give back!

Angela plans to participate in the Lake Tahoe Century (100 mile) Bike Ride on June 1, 2008, a team endurance event created to raise awareness and funds to help stop leukemia, lymphoma, Hodgkin lymphoma and myeloma from taking more lives. The team needs your support to cross the ultimate finish line - a cure!

DONATE NOW FOR A CHANCE TO WIN FREE GAS FOR A YEAR!

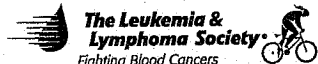

Visit www.active.com/donate/tntiny/tntinyAScaturro or call Angela at 516-298-5419 to buy a raffle ticket. All proceeds benefit The Leukemia & Lymphoma Society.

Make a minimum \$25.00 donation and we'll enter you in the raffle. Donate more (in \$25 increments) and receive additional raffle tickets to increase your chance to win free gas for a year!

Only 500 tickets will be sold, be sure to get yours today!

Drawing will be held Friday, June 13, 2008 and the winner will be notified.

Gas is a selection of national & local brands up to a \$2,500 value.
